

LECTURER'S VITAE

IAEA-ARGONNE TRAINING COURSE

Name: Halil Avci
Present Position: Team Lead
Affiliation: Environmental Science Division
Address: Building 240

Phone Number: (630) 252-6477
Fax Number: (630) 252-4624
E-mail Address: avci@anl.gov

Scope of Present Duties:

Team Lead for the Nuclear Materials and Waste Disposition Team in the Environmental Science Division. As a Program Manager, oversees Argonne's technical support to the U.S. Nuclear Regulatory Commission (NRC) for licensing of new reactors and license renewal of currently operating reactors. Also serves as a project manager and technical analyst and reviewer on similar projects.

Most Relevant Past Experience:

Program Manager for Argonne's technical support to NRC in conducting environmental reviews of new reactor license applications and license renewals. Project Team Lead for several environmental impact statement projects, including an Early Site Permit application in Texas, a new uranium enrichment plant in North Carolina, two depleted uranium hexafluoride conversion plants in Ohio and Kentucky, and license renewal of several existing nuclear power plants.

Educational Background:

Ph.D. in Nuclear Engineering from the University of Wisconsin-Madison.
