Affiliation: Atomic Energy of Canada Limited

Address: 1 Plant
Chalk River, Ontario
Canada
K0J 1J0

Phone Number: (613)584-8811 ext 45931

Fax Number: (613) 584-8025

E-mail Address: vandrunenc@aecl.ca

Scope of Present Duties:

As Director, Management System and Services, Christina's scope includes

- Corporate Management System;
- Pressure Boundary Program;
- Engineering and major projects technical processes;
- Self assessment and integrated management system review processes.

Most Relevant Past Experience:

Following graduation, Christina worked in the mining industry. During her 15 years with AECL, Christina has enjoyed a wide variety of roles in Research and Development, nuclear operations, Engineering and, most recently, Management System and Services. Her work has included establishing departmental continuous improvement programs; quality assurance for major construction projects; as well as enterprise-wide process improvements requiring extensive cross-functional collaboration and change management.

Educational Background:

Christina is a Professional Engineer and mechanical engineering graduate of Queen's University at Kingston, Ontario, Canada.
