

LECTURER'S VITAE

IAEA-ARGONNE TRAINING COURSE

Name: Michael Flagg
Present Position: Assistant Director
Affiliation: University of Missouri Research Reactor
Address: 1513 Research Park Dr
Columbia, MO 65211

Phone Number: 573-882-5364
Fax Number: 573-882-6360
E-mail Address: FlaggM@missouri.edu

Scope of Present Duties:

Assistant Reactor Director tasked with implementing projects that support commercial and research work in radioisotope production and analytical services. Responsibilities include program management of the MU Research Reactor's portfolio of new radioisotope production projects, management of non-routine irradiation service projects, provide support to the Business Development officer in preparing estimates and bid packages, and oversight of the Computer Services group, which is tasked with maintaining and improving the IT infrastructure at MURR.

Most Relevant Past Experience:

Project Manager for the effort that took the production of Lu-177 from radiochemical grade to production under Good Manufacturing Practices (GMP), allowing expanded use of Lu-177 in clinical trials.

Educational Background:

BA History, University of Missouri, 1993
BS Nuclear Engineering, Missouri University of Science and Technology, 2006
