

LECTURER'S VITAE

IAEA-ARGONNE TRAINING COURSE

Name: Halil Avci

Present Position: Retired from Argonne National Laboratory

Affiliation: _____

Address: Darien, Illinois

Phone Number: (630) 963-4260

Fax Number: _____

E-mail Address: hiavci@sbcglobal.net

Scope of Present Duties:

Retired in February 2014. Before retirement, was serving as a Program Manager overseeing Argonne National Laboratory's technical support to the U.S. Nuclear Regulatory Commission (NRC) in the area of licensing of new reactors and license renewal of currently operating reactors. Also served as a project manager and technical analyst and reviewer on similar projects.

Most Relevant Past Experience:

Program Manager for Argonne's technical support to NRC in conducting environmental reviews of new reactor license applications and license renewals. Project Team Lead for several environmental impact statement projects, including a new uranium enrichment plant in North Carolina, two depleted uranium hexafluoride conversion plants in Ohio and Kentucky, and license renewal of several existing nuclear power plants.

Educational Background:

Ph.D. in Nuclear Engineering from the University of Wisconsin-Madison.
