

LECTURER'S VITAE

IAEA-ARGONNE TRAINING COURSE

Name: Christina Van Drunen
Present Position: Director, Management System & Services
Affiliation: Canadian Nuclear Laboratories
Address: 286 Plant Road
Chalk River, Ontario
K0J 1J0
Phone Number: 613-584-3311 x45931
Fax Number: 613-584-8025
E-mail Address: christina.vandrunen@cnl.ca

Scope of Present Duties:

As Director, Management System and Services, Christina's scope includes

- Corporate Management System;
- Pressure Boundary Program;
- Engineering and major projects quality assurance;
- Self assessment and integrated management system review.

Most Relevant Past Experience:

Following graduation, Christina worked in the mining industry. During her 15 years with AECL, Christina has enjoyed a wide variety of roles in Research and Development, nuclear operations, Engineering and, most recently, Management System and Services. Her work has included establishing departmental continuous improvement programs; quality assurance for major construction projects; as well as enterprise-wide improvement initiatives requiring extensive cross-functional collaboration and change management.

Educational Background:

Christina is a Professional Engineer and mechanical engineering graduate of Queen's University, Kingston, Ontario, Canada.
