

LECTURER'S VITAE

IAEA-ARGONNE TRAINING COURSE

Name: Ralph H. Hinterman

Present Position: Senior Industrial Hygienist/Training Specialist

Affiliation: Environment, Safety & Quality Assurance Division

Address: Building 202, E-137
9700 South Cass Avenue
Argonne, IL
60439

Phone Number: 630-252-2881

Fax Number: 630-252-5965

E-mail Address: hint@anl.gov

Scope of Present Duties:

Working as a professional in the field of occupational safety and health (industrial hygiene). Duties include providing subject matter expertise in the area of chemical safety, noise and hearing conservation, and pressure safety as part of the Laboratory's work planning and control process. Manages the Argonne Confined Space Entry Program, and performs experiment and construction project reviews. Is the instructor for various health and safety training classes including cryogenic and compressed gas cylinder safety, hydrofluoric acid and lead hazards and controls. Also teaches asbestos awareness and personal protective equipment courses.

Most Relevant Past Experience:

Reviewed more than 100 experiment safety packages during the past six months. Participated in internal and external audits of the confined space program and the pressure safety program.

Educational Background:

BS (Zoology), University of Michigan, Ann Arbor, Michigan
MPH, Environmental and Industrial Health, University of Michigan, Ann Arbor, Michigan
