Name: Charley Yu _____

Present Position: RESRAD Program Manager _____

Affiliation: Argonne National Laboratory _____

Address: 9700 S. Cass Avenue, Building 240 _____
Environmental Science Division _____
Argonne National Laboratory _____
Argonne, IL 60439 _____

Phone Number: 630-252-5589 _____

Facsimile number: 630-252-5880 _____

E-mail address: cyu@anl.gov _____

Scope of Present Duties:

Dr. Charley Yu manages and serves as the Principal Investigator for the RESRAD model development and risk assessment program in the Environmental Science Division of Argonne National Laboratory.

Most Relevant Past Experience:

Dr. Yu has over 26 years of experience in developing multipathway, multimedia computer models and codes. He has focused his research on modeling of radionuclide transport in the environment; radiological dose and risk assessment for humans, flora, and fauna; improving probabilistic dose assessment codes to reduce uncertainty and run time; and development of operational guidelines for responding to radiological dispersal device incidents.

Educational Background:

PhD, Nuclear Engineering, Penn State University.
MS, Health Physics, National Tsing Hua University.
