Name: Lawrence Moos _____

Present Position: Manager of the Environmental Monitoring Group _____

Affiliation: Argonne National Laboratory _____

Address: 9700 S. Cass Ave. _____
Argonne IL 60439 _____

Phone Number: 630-252-6933 _____

Facsimile number: 630-252-5896 _____

E-mail address: moos@anl.gov _____

Scope of Present Duties:

Lawrence Moos is the manager of the Environmental Monitoring and Surveillance program at Argonne National Laboratory. In addition to environmental monitoring his group is responsible for Long Term Stewardship of completed remedial actions on the Argonne site.

Most Relevant Past Experience:

His group conducts all required sampling of groundwater, surface water, sediment and air emissions for the site. They inspect and maintain remedial systems and track the progress of completed remedial actions. He served as a project manager and technical director for the remedial actions program at Argonne, which was completed in 2003.

Educational Background:

He received his BS and MS in Environmental Engineering from Purdue University in West Lafayette, Indiana.
