

LECTURER'S VITAE

IAEA/ANL TRAINING COURSE

Name: Pete Heine

Present Position: Department Head, Nonproliferation and National Security

Affiliation: Argonne/Nuclear Engineering

Address: 9700 S Cass Ave
Argonne IL 60439

Phone Number: 630.252.6002

Fax Number: _____

E-mail Address: pheine@anl.gov

Scope of Present Duties:

Manages Nonproliferation and National Security Department in Argonne's Nuclear Engineering Division. The Department's nonproliferation activities primarily involve export control, safeguards, proliferation resistance, and international outreach aimed toward strengthening global nonproliferation efforts.

Most Relevant Past Experience:

Proliferation risk analysis of nuclear-related dual-use export license applications and export enforcement capacity building, especially development of the Department of Energy's Commodity Identification Training program aimed at familiarizing Customs inspectors with strategic, nuclear-related dual-use commodities.

Educational Background:

BS, Applied & Engineering Physics
Nuclear Engineering in the US Naval Propulsion Program
MBA, University of Chicago
