**Phone Number:** +43 (1) 2600-22608

**Fax Number:** \_\_\_\_\_

**E-mail Address:** s.koenick@iaea.org

#### **Scope of Present Duties:**

Senior Safety Officer, Regulatory Activities Section, Division of Nuclear Safety Installation Safety or the Safety Department. Duties include: Planning, coordination and the conduct of Integrated Regulatory Review Service (IRRS) missions; Development of IAEA guidance documents - specific development of safety report on the development of regulatory oversight programme for new nuclear power plants; coordination, development, and implementation of assistance to activities for countries considering the introduction of nuclear power.

#### **Most Relevant Past Experience:**

Implementation of the activities identified above. Prior to joining the IAEA, I was with the US NRC, most recently focusing on development of guidance, procedures, and training to support new reactor licensing. Most notably, I was the led the update of NUREG 0800, the standard review plan.

#### **Educational Background:**

BS Mechanical Engineering from Washington University in St. Louis, 1991  
MS Environmental Engineering from Johns Hopkins University, 1998.
